

Hi Nat!

I asked you what your dreams are yesterday - and you told me you had many - most importantly to open a foundation for stroke victims in your country. You have the idea well defined! You also told me you would like to open a restaurant - and to have two houses - one in Mauritius and one in Montreal. These are all very reachable! Quickly!

I want everything! In these last 20+ years - God has shown and told me so much. They (Noel and Norah) have led me to develop a great many things for society - an entirely new life for all of mankind (<https://www.anewday.ca/>) - an end to wars all over the world (<https://peaceproject.ca/>) - a global health, fitness, racquet sport and LifeStyle company (<https://nuvoway.ca/>) as well as a global organization in golf (<https://g3golf.ca/>) - to name but a few of the very big plans God has for me - and for us - in this world.

In the days of December 2003 - They (Noel and Norah) led me to a mansion in Senneville, QC - on the western tip of the Montreal Island. They told me it would be my house. 270 Chemin Senneville. In recent times, God has told me I/we will have other houses in Montreal. The John Lennon and Yoko Ono Suite at the Fairmont Queen Elizabeth Hotel as well as a custom-built suite for us at IMAGINE! Montreal in the Laurentians.

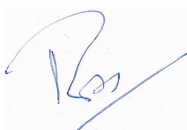

We will have everything, Nat! You, me and Chris. You won't need to work - but you will have your restaurant - Natasha's Soul Kitchen - and not only will you have one of these in IMAGINE! Montreal - but you will have over 10,000 locations in every G3 Destination Location the world over!

You will have a Lamborghini - and a Ferrari - and a Bugatti. I will have our Aston Martin DBX 707 - a beautiful SUV for our growing family. And when James Bond is old enough - he will have his car - an Aston Martin sports car! We will have boats docked on our property in Senneville - a personal helicopter we will both learn to fly - a G3 Private Jet and a G3 Boing 787 Dreamliner - to fly us everywhere we need to go! We will have our own G3 Oceania Cruise Ship with a beautiful owner's suite designed especially for us - by God. This will be our home-away from home when we are travelling.

God has told me that I am the human being They have created with the most potential - in every way - sports, academics, business and love - and that in this life to come - I will realize everything They had planned for me in this world - but didn't allow me to access. I want you and Chris on this amazing journey with me, Nat - every step.

There is no doubt in my mind that you are the being that God has created for me in this life - and I look forward to sharing every moment with you and Chris...

All my love,
