

Hi Nat!

I just wanted to thank you again for a wonderful afternoon and evening yesterday! It was great seeing and being with Christopher - and having him accept me the way he did. To me this represents the next level that God is taking us to.

I know you like me. I know you are attracted to me. I feel very much likewise. I could have removed all the other messages on this page - but I won't - I choose not to. I want you to see all my thoughts and feelings. I want you to know precisely what I see for my life - and for our lives together - yours - Christopher's and mine - and even more kids of our own - that is if you would like to go that route.

You told me all about your dream home and I will tell you - Nat - it is already built! Your Dad helped to create it for you. It is waiting in another dimension - in a Parallel Universe - for you - for us. It will be just one of our homes - as I have outlined our other home in Senneville to you.

I hope the contents of my messages don't scare you - Nat. What I have tried to convey to you in these messages is my true self. I am one of 3 Beings in this world with ALL POWER - Omniscience - Omnipotence and Omnipresence. Just like Jesus before me - he did not have full power in this world until he was 30 years old - and then only had it for 3 years of his ministry. I am much the same. God has shown me much - and He has given me the power to heal - but no miracles - as yet!

You are an amazing - young woman - Nat. You make me feel young! I have always felt like I am 40 even though I am 63. My age will never be a factor and God will help you to overcome your reservations about this. He has sent me to you and Chris - to be your best friend. To be your husband and Chris' father. OF this I have absolutely no doubt! So please - Nat - follow your heart. It will lead you to a place where you and I will realize all your dreams together - in every part of your life!

All my love,
