

Hi Nat!

God is Love. You experienced the power of this in the fullest with your first love - with your father - and with Christopher. I want to demonstrate to you that I am worthy of your love - in every way. I want to be your best friend and confidante. I want to make all your dreams come true in every imaginable way. I want to be everything to Chris and to help you to raise him right.

It has been 2 weeks that we have known each other. I am amazed at the speed that God has brought us together in!

There is much he wants you to learn from me - Nat - and much He wants to teach me through you. I look forward to everyday we are together - and to growing our love each and every time.

Here is my Penzu post from today: [Penzu Post](#).

I'm really tired and am going to sign off now...

All my love,
