

## Insight

Original Sin. The Serpent tricked Eve into confirming to Adam that if he ate the fruit from the tree of knowledge of good and evil in the middle of the Garden of Eden that surely he would not die. Sin entered the world through this.

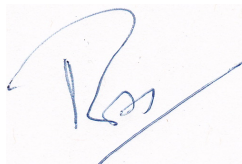

For 6000 years we have been subject to this sin - all as a result of Eve and the Serpent (Satan's) doing.

We are at the very end of this age. And now as evil entered the world through one female - evil will be eliminated from the world - also through one female - you - Natasha.

Your carnal desires given your marital status are not wholesome. We have sinned by doing what we have done - but we can overcome. We must overcome. I am asking you to quell all your desires for 'putting out your fire.' They are Satanic in nature. You have the power - and it will be you - through your ability to 'throw Satan out' - who will usher in the new glorified/eternal era for mankind I call Heaven on Earth.

I want to be with you, Nat. I want to be the love of your life. I want to hold your hand - and to kiss you deeply - and to hold you tenderly as we lie in bed. But that is it. Everything else is wrong at this time. I have felt this from the outset - but the temptation was more than I could bear. But I have now come to my senses. If you can calm your desires and passions - and Satan's grip on you - you will usher in this new era for all of mankind. In this life - with me - you will have everything you have wanted and dreamed of. It may take a while - but everything will come to you.

All my love,
